From Our Academic Director

The WorldGrad offers a unique academic opportunity to students aspiring for global education - to start their international degree from India with the university of their choice and get the advantage of saving time and money. Our 'virtual campus' teaching model is designed to ensure an integrated learning experience, closely simulating on-campus learning and ensuring support for the students at every step.

Our team of experienced international educators implement the highest international academic quality standards in teaching and giving assessments while also providing students individualised support to build on essential academic and professional skills which prepares them early for success in their further studies.

With a track record of high completion rates coupled with high levels of student satisfaction, The WorldGrad offers the best foundation to turn students' international education dreams into a concrete reality.

- Dr. Vartikka Kaul, Academic Director at The WorldGrad

Who We Are

The WorldGrad is an **award-winning education provider** and **academic partner** to globally ranked universities, dedicated to making high-quality global education more accessible to students. We jointly offer programs with global universities that allow students to complete up to 1 year of their international degree from India. Students can choose from a range of **undergraduate and postgraduate** programs in **STEM** and **business fields.**

We understand the financial and academic barriers students face when it comes to studying overseas and our programs have been developed to help students overcome these hurdles to pursue their global education goals without compromising on quality.

Get The WorldGrad Advantage

The WorldGrad's Smart Programs help students break barriers to succeed academically by making high-quality global education more accessible. Our students enjoy three distinct advantages.

Seamless and Guaranteed Admissions Process

Our academic collaboration with overseas institutions brings with it a fast, seamless admissions process with pre-approved scholarship packages and GMAT/GRE waivers.

Academic Success

1 in 3 students fail in their first term overseas due to the drastic change in academic and cultural environment^. By starting with The WorldGrad, students not only pick up the academic concepts but also the academic skills required to succeed overseas.

Significant Cost Savings

The WorldGrad makes getting an international degree more affordable than ever. Students can save up to 25% or more on their global education through fee subsidies, scholarships and financial aid. Our program fees are 1/3rd the cost of the university fees and our students also get exclusive scholarships* from our partners on the overseas component of their degree. Additionally, students save on living expenses by completing up to 1 year of international degree from India.

The All American Graduate Program

The All American Graduate Program is a Smart Program that enables students to complete up to **12 credits** of their degree in India and then progress overseas to the USA to complete the remaining **18-33 credits** on campus in one of The WorldGrad's globally recognised partner universities. This Smart Program is equivalent to two graduate-level courses, which makes the student eligible for both **STEM** and **non-STEM** master's degrees.

The transcript and credits are issued in partnership with Tiffin University, which has been offering **high-quality education to students for 135 years**. Students can complete the first **4-6 credits** of their **US Master's degree in just 2 months**, enabling them to save both time and money before they progress to the university campus in the USA.

Students can enrol for the program through any of the **2 intakes** offered in a year and opt for a full-time or part-time mode of education, which is spread over **2 months** and **3.5 months**, respectively.

Reach out to The WorldGrad for more information on opportunities available in India.

Hear From Our Partners

Amy Wood - Ph.D., Sr. VP,
Tiffin University

This program allows students the best of both worlds as they can study online at home for up to a year and save some tuition dollars, and then enjoy the experiences of living on a safe college campus in the United States for the remainder of their program. Tiffin University is centrally located to many great destinations, which allows students to easily travel when they are on breaks throughout the academic year.

Steve Rich - President,
Fisher College

Our partnership with The WorldGrad is an exciting forward step to enhance the hybrid education model at Fisher College. We welcome this international online educational alliance and eventual on-campus visit from students of India. This academic collaboration demonstrates how possibilities are endless and how global students of today will be better equipped to change tomorrow's world.
