

STUDENT OUTCOMES REPORT 2023

Dear Readers,

Looking back at 2023, we take pride in the academic accomplishments of our students.

As the sole Study Abroad Program Provider to share this report, we aim to demonstrate transparency and accountability.

An Overview

Drumroll... For our three new Smart Programs: **All American Undergraduate Program**, **All American Graduate Program** and **Global Year 1 Program**. These game-changing programs allowed students to pursue popular & opportunity-filled **employment-oriented** degrees in **Australia, the UK & the US** - the top 3 destinations favoured by students for overseas education.

We also partnered with **15+ top universities** to deliver the absolute best in education standards & opportunities extending beyond universities.

Meet Our Academic Director

Dr. Vartikka Kaul

Academic Director, MA, MPhil, and PhD

Dr. Vartikka Kaul guides our academic team and oversees our game-changing programs in collaboration with our esteemed overseas university partners.

With 15+ years of experience as an educator and researcher, Dr. Vartikka Kaul has dedicated her career to building both face-to-face and online learning institutions that prioritise student success and foster innovation in pedagogy. At The WorldGrad, for 4+ years, Dr. Vartikka and her team of award-winning 500+ educators from across the world make sure each program is based on the core curriculum and academic standards of the destination country and its quality is assured by an accredited higher education institution that would also issue students with a transcript for their studies.

Students enrolled with The WorldGrad experience a unique two-tier teaching model where an overseas educator leads each subject with support from a local facilitator. In addition to the fixed lecture hours, students can access our educators for 1-1 tutorship, 7 days a week till late in the evening for personalised guidance, feedback and doubt-resolution.
