ALL AMERICAN UNDERGRADUATE PROGRAM

SAVE MONEY • SAVE TIME • SUCCEED

From Our Academic Director

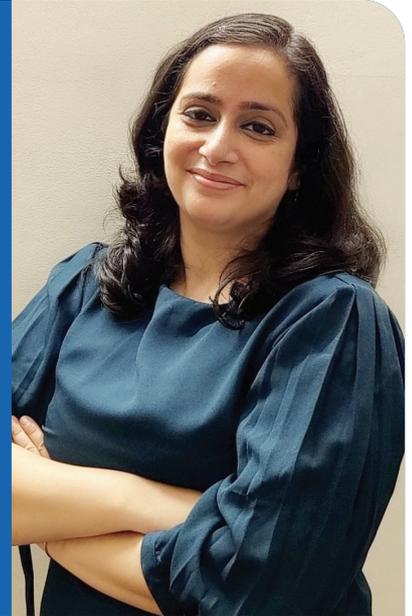

The WorldGrad offers a unique academic opportunity to students aspiring for global education - to start their international degree from their home country with the university of their choice and get the advantage of saving time and money. Our 'virtual campus' teaching model is designed to ensure an integrated learning experience, closely simulating on-campus learning and ensuring support for the students at every step.

Our team of experienced international educators implement the highest international academic quality standards in teaching and giving assessments while also providing students individualised support to build on essential academic and professional skills which prepares them early for success in their further studies.

With a track record of high completion rates coupled with high levels of student satisfaction, The WorldGrad offers the best foundation to turn students' international education dreams into a concrete reality.

- Dr. Vartikka Kaul, Academic Director at The WorldGrad

Who We Are

The WorldGrad is an **award-winning education provider** and **academic partner** to globally ranked universities, dedicated to making high-quality global education more accessible to students. We jointly offer programs with global universities that allow students to complete up to 1 year of their international degree from their home country. Students can choose from a range of **undergraduate and postgraduate** programs in **STEM** and **business fields**.

We understand the financial and academic barriers students face when it comes to studying overseas and our programs have been developed to help students overcome these hurdles to pursue their global education goals without compromising on quality.

The WorldGrad Journey

Get The WorldGrad Advantage

The WorldGrad's Smart Programs help students break barriers to succeed academically by making high-quality global education more accessible. Our students enjoy three distinct advantages.

Seamless and Guaranteed Admissions Process

Our academic collaboration with overseas institutions brings with it a fast, seamless admissions process with pre-approved scholarship packages and GMAT/GRE waivers.

Academic Success

1 in 3 students fail in their first term overseas due to the drastic change in academic and cultural environment[^]. By starting with The WorldGrad, students not only pick up the academic concepts but also the academic skills required to succeed overseas.

Significant Cost Savings

The WorldGrad makes getting an international degree more affordable than ever. Students can save up to 25% or more on their global education through fee subsidies, scholarships and financial aid. Our program fees are 1/3rd the cost of the university fees and our students also get exclusive scholarships* from our partners on the overseas component of their degree. Additionally, students save on living expenses by completing up to 1 year of international degree from their home country.

Studying With The WorldGrad

Specially Designed Curriculum

The WorldGrad's programs are designed based on the core curriculum and academic standards of the overseas university. The quality of the program is assured by an accredited higher education institution that would also issue students with a transcript for their studies.

Unlimited Teaching Support

Students enrolled with The WorldGrad are taught by our award-winning team of 1000+ educators from all over the world, experienced in delivering global education to 30,000+ students. We follow a unique two-tiered teaching model where each subject is led by a qualified university-approved educator. In addition to the fixed lecture hours, students can access our educators for 1-1 tutorship, 7 days a week till late in the evening for personalised guidance, feedback and doubt-resolution.

The All American Undergraduate Program

The All American Undergraduate Program is a Smart Program that enables students to complete up to **30 credits** (up to Year 1) of their **US Bachelor's degree** from **their home country** before **progressing to the overseas university campus** of one of The WorldGrad's top-ranked US university partners to complete the remainder of their degree on campus.

Credits for the in-country component of the student's **STEM** or **non-STEM** degree are issued by **Tiffin University**.

The issued credits are completely recognised for articulation at all of our university partners and also

make the student eligible to transfer to any of the **4,000+ universities** in the US.

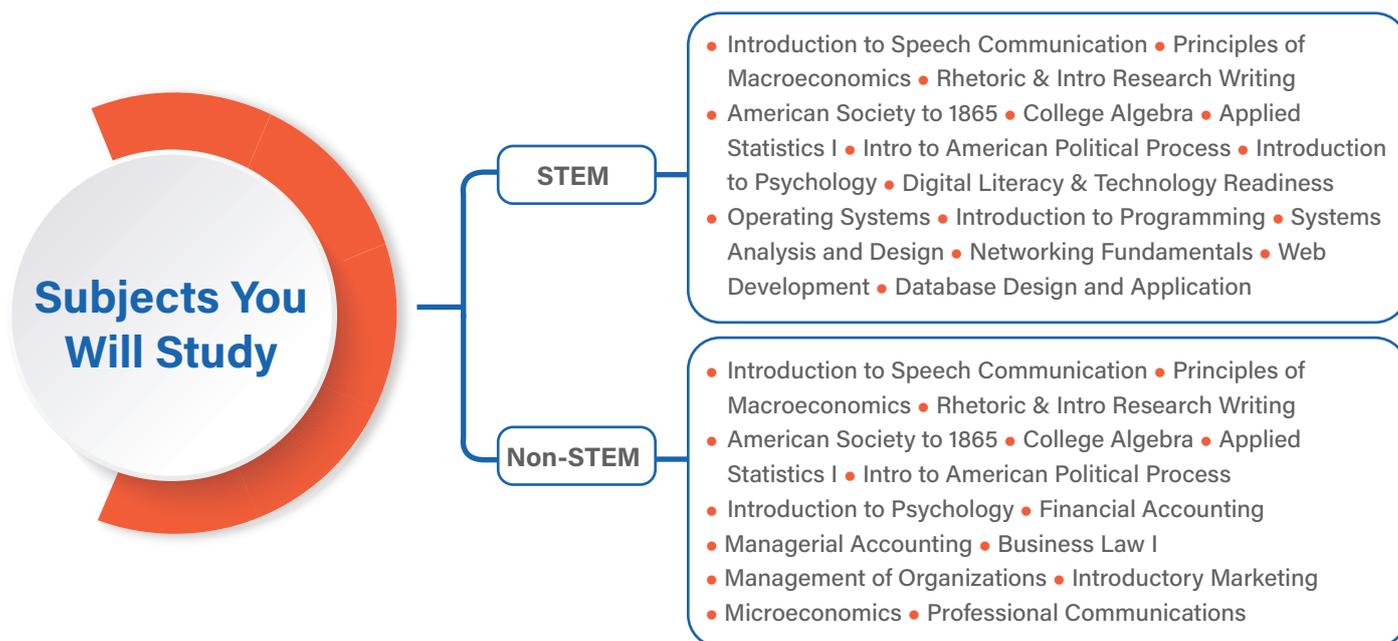

Students can finish the first year of their bachelor's degree in just 10 months from home, enabling them to save both time and money before progressing to the overseas university campus in the USA.

Reach out to The WorldGrad for more information on opportunities available in your home country.

Hear From Our Students

Antra J

The WorldGrad Admissions team has provided great guidance in helping me choose the right program, not to mention the cost savings. All the teachers are very warm and welcoming.

Pushkar P

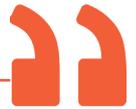

The teachers at The WorldGrad's Global Year 1 Program provided helpful feedback to all my queries. They are supportive and encourage 1-1 tutoring to explain concepts. The assignments at The WorldGrad are creative and more enhanced.

Tanvi R

I find The WorldGrad's schedule, assignments, and teaching methods very impressive. With them, I have the opportunity to receive quality education from an excellent team of educators who eased my studies once at the university campus.

Siya P

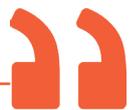

The WorldGrad's unwavering support, that dream became a reality. Through their All American Undergraduate Program, I began my academic journey in Accountancy from home, receiving personalized guidance and academic support.

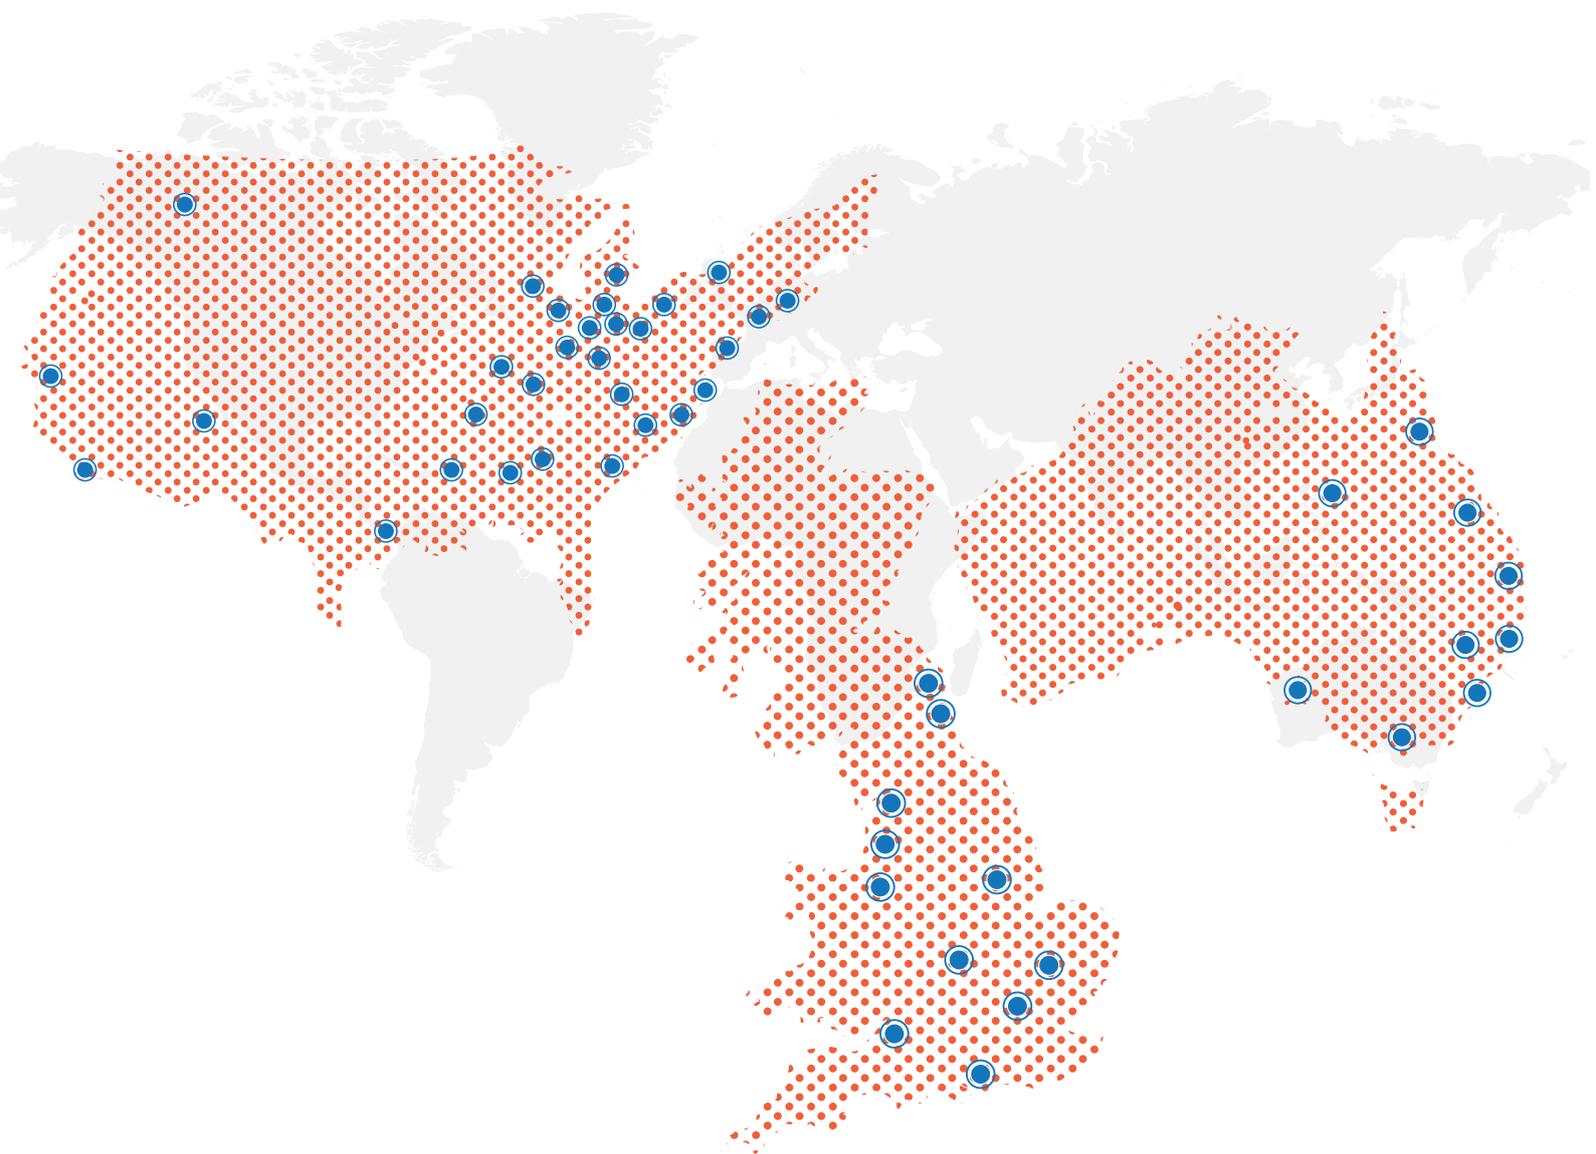

Zabdeil W

The WorldGrad's All American Undergraduate Program allowed me to become familiar with the American education system. The instructors and mentors at The WorldGrad are quick to help students out. The student support team made my journey hassle-free.

The WorldGrad's All American Undergraduate intakes are in **Summer, Fall, and Spring**, with progression to the US university campus the following **Spring and Fall** intakes.
